Student Privacy
The NSW TAFE Commission (having its principal office located at Level 2, 35 Bridge Street Sydney NSW 2000) collects personal information concerning students during their enrolment at TAFE NSW including, but not limited to, their attendance, participation, and academic progress. The information collected by TAFE NSW throughout a student’s enrolment (collectively “the information”) will be used by TAFE NSW or other authorised organisations for the purposes of general student administration, identification, communication, state and national reporting, program monitoring and evaluation.

Student information will be held securely and disposed of securely when no longer needed. The information may be disclosed to Centrelink, the Department of Veteran’s Affairs, the Department of Immigration and Citizenship, the Universities Admissions Centre, Office of the Board of Studies and the National Centre for Vocational Education Research (NCVER) and/or an agency authorised to undertake surveys. In order to meet the requirements of Registered Training Organisations under the Apprenticeships and Traineeships Act 2001, apprentice and trainee information is provided to employers, Australian Apprenticeship Centres and State Training Services (or the relevant State Training Authority). Statewide and regional statistics derived from information provided by all students will also be provided to the Commonwealth.

While the provision of this information is not mandatory under legislation, it is a requirement of TAFE NSW that this information be provided in order for your enrolment to be accepted. This is to assist TAFE NSW in recording enrolments for certain target groups for which funding is provided for student services. Without that funding, TAFE NSW would be unable to continue providing training and services at current levels.

You may correct your personal details by contacting your TAFE NSW campus administration or by using TAFE NSW Student e-Services.

Management of Risk of Harm to Students and Staff
TAFE NSW is required by law to ensure the health and safety of students, staff and visitors on our premises. In order to meet these legal obligations it is necessary for us to assess and manage any known risk of violent behaviour. If you have a history of violence that may suggest that you could pose a potential risk of any type to TAFE students, staff and/or visitors it is a condition of your enrolment to advise the Campus Manager, a TAFE Counsellor or your Head Teacher prior to attending your first class. For these purposes ‘violence’ is not restricted to physical acts. It includes any behaviour in the last ten years that seriously interferes with the physical or psychological safety and well being of others such as:
• actual violence to any person
• possession of or use of a weapon or any item with the intention to cause harm or injury to others
• threats of violence or intimidation of others
• suspension or expulsion from any school or educational institution for violent or aggressive behaviour.

TAFE NSW is committed to offering vocational education and training to the entire community. Following your advice of a potential risk, we will carry out an assessment of the risk and, if necessary, provide support and a management plan. Only in exceptional circumstances will a risk assessment lead to exclusion from enrolment. It is our aim to provide an appropriate, safe environment to suit every student’s needs and maximise your success in your studies.
